

Skin Cancer Surgical Audit

How to access your clinical audit information online

Thank you for participating in our Skin Cancer Surgical Audit program.

The following instructions outline how to access your clinic audit results and complete your online evaluation.

You will need to use your Webster/Sonic Dx username and password to securely access your reports. If you cannot locate your password, follow the instructions in step 1 and 2 to access the 'Contact us' link.

Step 1 – Access the Skin Cancer Surgical Audit Gateway

Click on the Skin Cancer Surgical Audit icon on your local laboratory's website.

This will take you to the Clinical Audit program

Step 2 – Log in

Enter your unique Webster/Sonic Dx username and password and click 'Login'.

If you have forgotten your password, click on the 'Contact us' link

Step 3 – Download audit interval reports

Click on the 'Reports' tab, then click on the 'Download Report' button for the report you wish to download. All 6-month interval reports that have been generated since your registration for this triennium are available for you to view at any time.

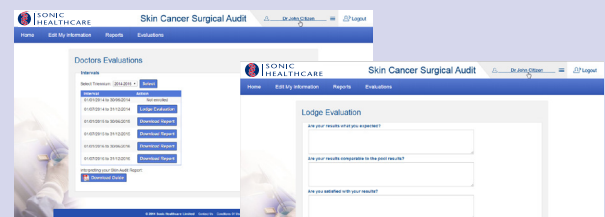

If you would like a hard copy of your report, you can simply print your own copy from the PDF.

Step 4 – Submit your interval evaluation

Click on the 'Evaluations' tab. This will bring up a list of your time intervals.

Click on 'Lodge Evaluation' to open the evaluation form.

Complete your evaluation and click 'Save'.

All participants must complete and submit evaluations for two consecutive time intervals to satisfy one audit activity and be eligible for their RACGP QI & CPD and ACRRM PDP points.
